Increased Safety

Beautiful

Customize your shower or bath to match your style. You can choose from endless color and custom tile design options that add a modern look and lifetime value. You can also add soap dishes, grab bars or other accessories that fit seamlessly with your composite shower or bath.

Functional

Selecting our product ensures you’ll have a solution that is durable and lasting. All of our bathing products install quickly – sometimes in one day – and are easy to clean and maintain. Plus, our products are made in the USA and come with a 30-year limited warranty, so they’ll stay beautiful and functional for years to come.

FAQs

How long will the installation take?

The time needed for your installation will be specific to the amount of work needed for your project. Most projects can be completed within 1-2 days.

How do I know which shower is for me?

Our Next Day Access bathroom specialists will set up an in-home consultation and work with you on the best option for your individual needs.
